

Private Label / Reseller Use License Info

You have purchased a private label / reseller use license for DFY Templates.

With the template documents (.doc format), you can:

- Edit the templates how you wish and use them for your own marketing.
- Use them for work you do for clients.
- Brand and resell the templates, edited or unedited, to your customers to use for their own personal marketing.

With the template documents (.doc format), you cannot:

- Resell or pass on rights to anyone to resell or give away the templates.
